***Allowable Subject Matter***

Claims 3-17 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art does not disclose or suggest a method for forming an optical connector comprising all the specific elements with the specific combination including a first and second optical path set in a right angle interface body, wherein the right angle interface body and the optical fibers are embedded inside an electro-optic board, and forming a hole in the electro-optic board as set forth in claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***
